EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: The following claims have been added:

--- 26. (newly added) The prepress system of claim 23 wherein said preproofers are capable of wrapping said proof raster data set in a page description language wrapper; and transmitting said proof raster data set wrapped in the page description language wrapper to the proofer.

27. (newly added) The prepress system of claim 23, wherein the print drive further comprises a digital doubleburner in electrical communication with said print drive input terminal and said preproofers, said digital doubleburner capable of combining descreened proof raster data sets to form a combined proof raster data set representing a resultant proof image. ---

(Note: These claims correspond to canceled claims 24 and 25, which were inadvertently omitted from examination, and reinstated here (as new claims 26 and 27) in view of applicant's request (see page 8 of current amendment).)

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas D. Lee whose telephone number is (571) 272-
